Phares & Feux de jour LED

A close-up photograph of a dark blue car's side mirror. The mirror is sleek and aerodynamic, with a turn signal indicator integrated into its base. The car's body panels and window are visible in the background, reflecting the sky and clouds. The overall image has a professional, high-quality feel.

 MOTORLAND

Rétroviseur avec clignotant

A close-up photograph of the rear of a dark-colored car. The image focuses on the trunk lid, which features a black plastic camera housing on the left side. To the right of the camera is a horizontal vent grille. Below the grille is a recessed rectangular area, likely for a license plate. The car's body is highly reflective, showing a clear reflection of a bright sky with clouds. The overall lighting is bright, suggesting a sunny day.

Accoudoir central

A close-up photograph of the interior of a car, specifically the center console. The console's lid is open, revealing a deep storage compartment. The interior of the compartment is black and has a textured surface. The lid is also black and features a silver-colored trim piece with a brushed metal finish. On this trim piece, there are two buttons: one with a power symbol and another labeled 'AUTO HOLD'. The surrounding car interior, including the seats and door panels, is visible in the background. The seats have a dark fabric with red and white striped accents. The overall lighting is bright, highlighting the textures and colors of the materials.

Boite à lunette + Eclairage

A photograph of a car's interior, focusing on the roof area. A large, rectangular panoramic sunroof is visible, showing a clear blue sky. The sunroof is framed by a dark, possibly black, trim. The surrounding interior is a light beige or cream color. In the bottom right corner, the back of a black leather seat with red stitching is visible. A control panel for the sunroof is located on the right side of the roof, near the rear window. The overall lighting is bright, suggesting daylight.
