Cabine

The image shows the interior of a white refrigerated truck box. The doors are open, revealing a clean, empty space with white walls and a grey floor. A refrigeration unit is visible at the far end of the box. The interior is illuminated by a central light fixture. The truck's exterior is white with red and white reflective safety markings along the edges of the doors and the bottom of the box. The text 'MOTORLAND' is overlaid in the center of the image.
