Rétroviseur électrique avec clignotant + Caméra

A close-up photograph of a car's front camera lens, which is a circular unit housed within a dark, angular plastic casing. The lens is positioned in the center of the frame. A stylized watermark reading 'MOTORLAND' is overlaid across the center of the image, with the 'M' being a graphic element. The background is a blurred, warm-toned sky, suggesting a sunset or sunrise. The car's body panels are dark and reflective.

MOTORLAND

Caméra avant

Caméra de recul

A close-up photograph of a white, modern door handle. The handle has a curved, ergonomic shape. On the right side of the handle, there is a small, rectangular, dark-colored button. The background is a light-colored, textured surface, possibly a door or wall. A watermark "ML MOTORLAND" is visible across the middle of the handle.

Bouton START & STOP

Levier de vitesse à boîte automatique

The image features a close-up of a black, rectangular induction charging pad. The pad is set within a larger black frame, which is bordered by orange plastic strips on the left and right sides. Above the pad, a row of silver metal contacts is visible. The background shows a portion of a blue and white patterned surface. The Motorland logo, consisting of a stylized 'M' and 'L' followed by the word 'MOTORLAND' in a sans-serif font, is centered on the black pad.

Siège cuir

A close-up photograph of a car's interior, focusing on the central console and the surrounding orange leather seats. The seats feature a quilted pattern and white stitching. The central console has a silver gear shifter and a handbrake. The background shows a perforated leather panel on the side of the seat.
