4X2 BVA ESS**

Vue de face

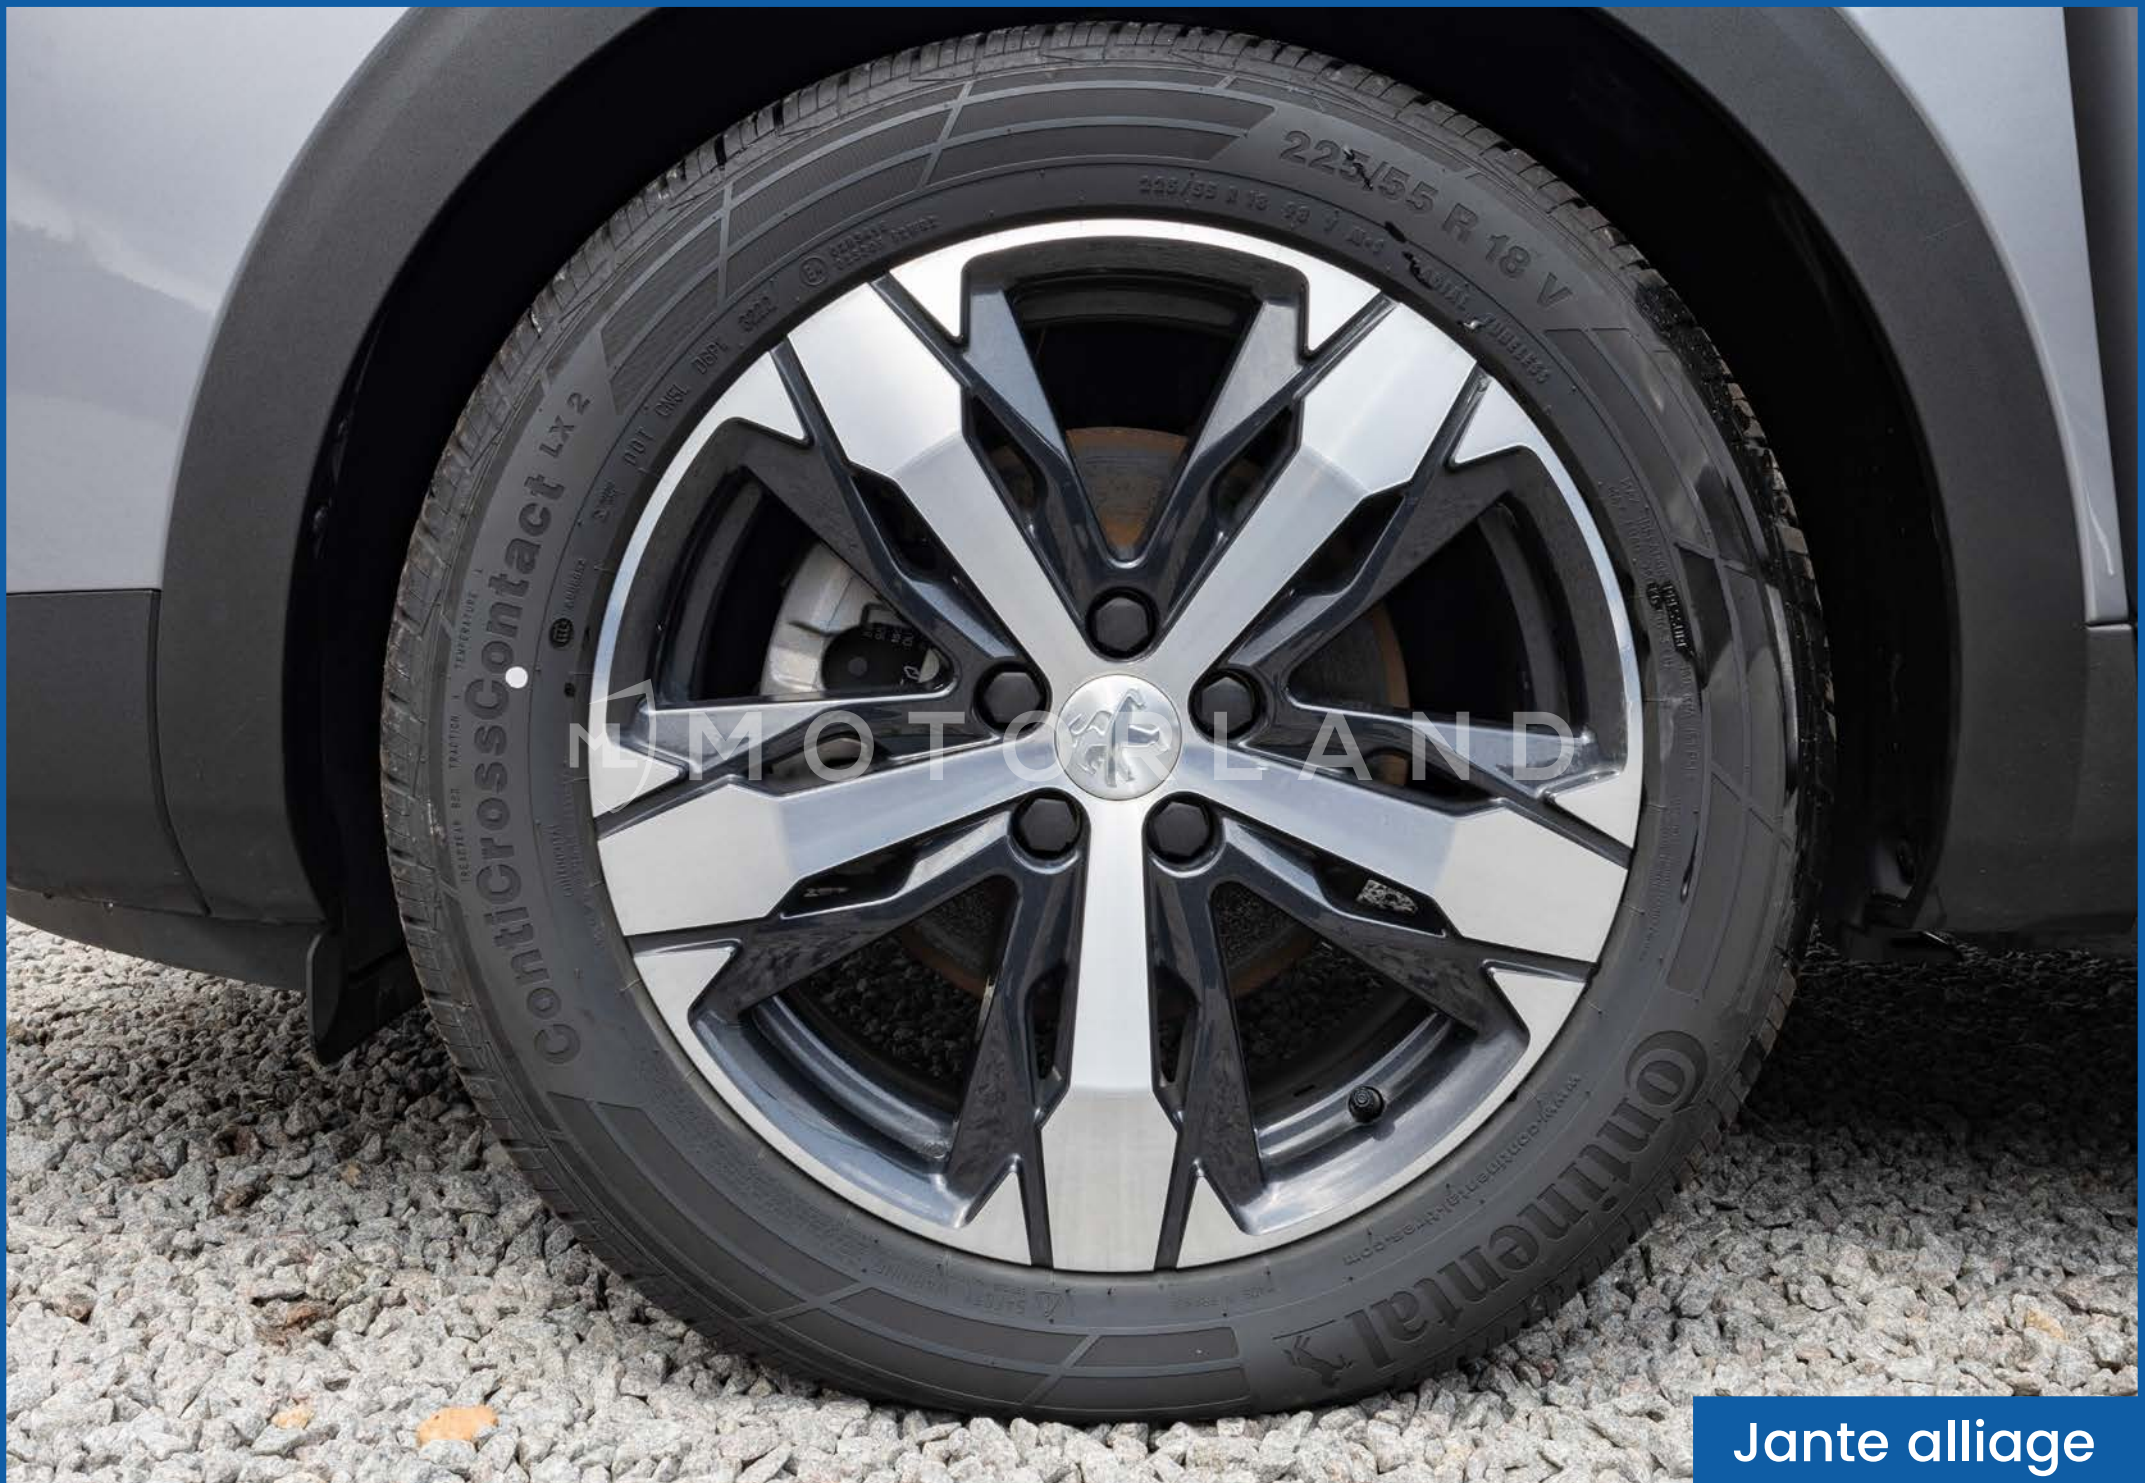

Vue de profil

A close-up photograph of a car's headlight assembly. The headlight is illuminated, showing a complex internal structure with multiple light sources. The car's body is a light color, possibly silver or white, and the background is a bright, overcast sky. A watermark "MIMOTO LAND" is overlaid across the center of the image.

Ports USB

A close-up photograph of a car's center console. The console is covered in a dark, textured material, possibly leather or a similar synthetic material. In the center, there are two air vents with horizontal slats. Below the vents, there is a circular 12V power outlet with the text "12V" printed on it. On either side of the power outlet, there are two small, rectangular buttons with a grid-like texture. The background shows the car's seat and door panel, also in a dark, textured material.

Boite de vitesse automatique

A close-up photograph of a car's engine start/stop button. The button is circular with a dark, textured center and a polished, metallic-looking outer ring. The words "ENGINE", "START", and "STOP" are printed in white, uppercase letters on the dark center. A semi-transparent watermark "ML MOTORLAND" is overlaid across the middle of the image. The background shows parts of the car's interior, including a textured black surface on the left and a metallic component on the right.

ML MOTORLAND

Démarrage START & STOP

A close-up photograph of a car's steering wheel control stalk. The stalk is black with a silver-colored ring at the top. It features several symbols and text: a sun icon for headlights, the word "AUTO", a "DO" symbol, and a hand icon. The background shows the steering wheel and dashboard.

Accoudoir central + Porte gobelet

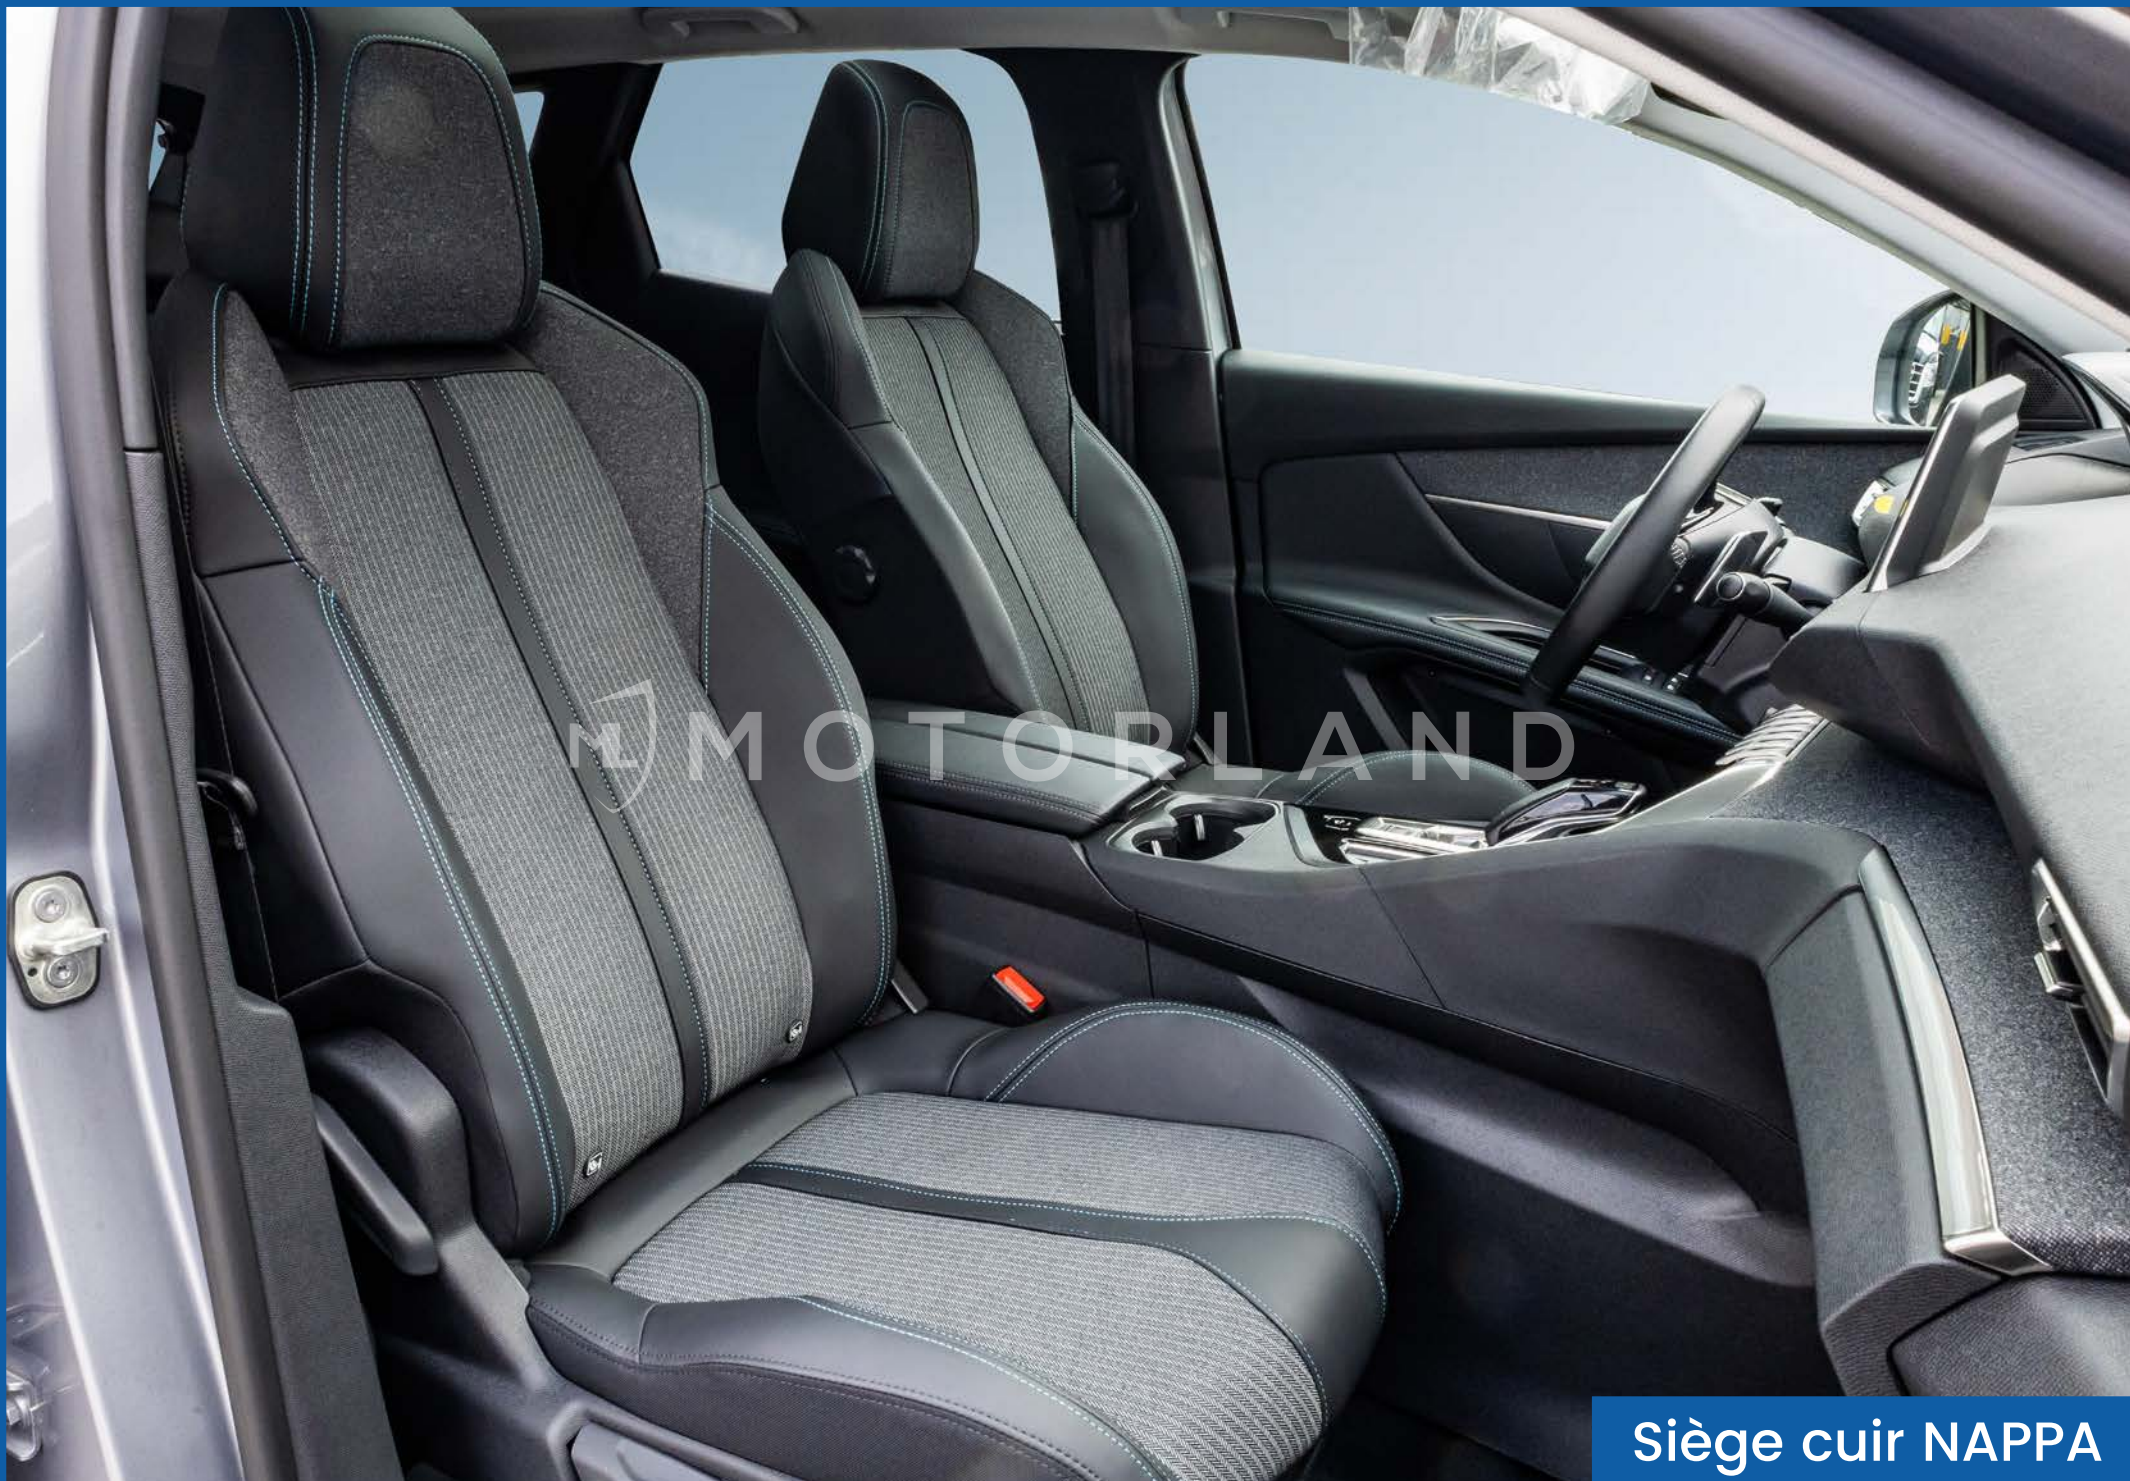

A close-up photograph of a car's center console storage compartment. The compartment is open, revealing a dark grey plastic interior with a central rectangular tray and a mesh-covered section. The surrounding area includes the car's seats, which have a grey and black herringbone pattern, and a black leather-like trim with white stitching. A red emergency release button is visible on the right side of the console.
