

BALENO 1.5L GLX 4X2 BVA ESS

Vue de face

Vue de profil

Jante acier 195/55R16

A close-up photograph of a black, aerodynamic electric side mirror mounted on a vehicle. The mirror has a turn signal light integrated into its lower edge. Below the mirror, a small camera lens is visible. A white label with a QR code and technical specifications is attached to the bottom of the mirror housing. The background shows a blue sky with light clouds.

ML MOTORLAND

Rétroviseur électrique avec clignotant + Caméra 360

The image is a composite. The top portion shows the underbody of a dark-colored car, with a prominent circular air vent or sensor. The bottom portion shows a sky with white clouds. The Motorland logo is centered across the middle.

Tableau de bord

A close-up photograph of a car's engine start/stop button. The button is circular with a chrome ring and a black center. The words "ENGINE", "START", and "STOP" are printed in white on the black center. A small blue light is visible above the word "ENGINE". A watermark "MOTORLAND" is overlaid across the center of the button.

Accoudoir central

A close-up photograph of a car's interior climate control panel. The panel is black with a textured surface. It features two large rectangular air vents side-by-side, each with a horizontal grille and a central rectangular diffuser. Below the vents is a horizontal slider control with a central knob and two end caps. To the left of the slider is a small square button with a cross symbol, and to the right is a small rectangular button with a fan symbol. A watermark "MOTORLAND" is overlaid across the center of the image.
