Vue de face

Vue de profile

A close-up photograph of a car's side mirror, which is dark and highly reflective. The mirror's surface shows a clear reflection of a landscape with trees and a sky with clouds. At the bottom of the mirror housing, there is a horizontal, rectangular turn signal light with a clear lens and internal prisms. The car's body is a metallic silver color, visible on the left and right edges of the mirror housing.

ML MOTORLAND

Rétroviseur avec clignotant

A close-up photograph of the front left corner of a dark-colored car. The image shows the main headlight assembly with a clear lens and a circular projector bulb. Below it is a fog light housed in a chrome-trimmed bezel. The car's grille with a honeycomb pattern is visible on the left. A portion of a silver alloy wheel and a black tire are visible on the right. The car's body is highly reflective, showing clear reflections of the surrounding environment.
