Vue de profil

Roues alliage 195/60R18

A close-up photograph of a car's front end, focusing on the grille and headlight area. The car is dark-colored, possibly black or dark blue. A circular camera lens is visible in the center of the grille. The headlight is on the left, and the grille has a honeycomb pattern. The text 'MOTORLAND' is overlaid in the center, with a stylized 'M' logo to the left.

M MOTORLAND

Caméra avant

A close-up photograph of a vehicle's front camera. The camera is a circular lens with a blue-tinted center, set within a black plastic housing. The housing is mounted on a light-colored, possibly metallic, surface. Above the camera, a black plastic trim piece with a textured, wavy pattern is visible. A red light bar is partially visible at the top edge of the frame. A watermark for 'MOTORLAND' is overlaid on the image, featuring a stylized 'M' logo to the left of the word 'MOTORLAND' in a sans-serif font.

Lèves-vitre électriques

Contrôle de stabilité + capteurs de stationnement

A close-up photograph of a car's interior air conditioning vent. The vent is a dark, rectangular plastic grille with horizontal slats, set within a larger, metallic-looking bezel. A small, rectangular control knob is visible on the left side of the vent. The entire unit is mounted on a dark, textured surface, likely leather or faux leather. A semi-transparent watermark reading "MOTORLAND" is centered over the vent.

Tableau de bord

A close-up photograph of a car's central armrest. The armrest is upholstered in black leather with visible stitching. It is positioned between two seats with a dark red or maroon fabric upholstery. The background shows the ribbed texture of the car's floor mats. A semi-transparent "MOTORLAND" logo is overlaid in the center of the image.

MOTORLAND

Accoudoir central

Boîte de rangement

A close-up photograph of the manual seat adjustment levers on a car seat. The seat is upholstered in black fabric with vertical ribbing. A red seatbelt strap is visible across the seat. The levers are black plastic, and the central adjustment mechanism is visible. The background is a solid blue color.
