Vue de profil

Jante acier 245/70R18

A close-up photograph of a car's rear camera lens, which is a circular lens with a clear center and a dark outer ring. The lens is mounted on a black plastic housing. Above the lens, there is a silver-colored metal trim piece with a circular cutout. The surrounding car body panels are dark and have some water droplets on them. The background is a dark, textured surface, possibly asphalt.

ML MOTORLAND

Caméra de recul

A close-up photograph of a 360-degree camera lens mounted on a black plastic housing. The lens is circular and features a multi-layered glass element. The surrounding plastic has a matte finish and shows some signs of wear and dust. A watermark for 'MOTORLAND' is overlaid on the image.

M MOTORLAND

Caméra 360

Rétroviseur électrique avec clignotant

A close-up photograph of a dark-colored car door handle. The handle is sleek and modern, with a keyhole located on its right side. A watermark for 'MOTORLAND' is overlaid across the center of the handle. The background shows the textured surface of the car door.

Accoudoir central

A close-up photograph of a car's center console. The console is dark grey or black with a textured surface. On the left side, there is a small square button with the text 'COOL BOX' printed on it. Above the button is a small rectangular panel with several icons, including a warning symbol and a recycling symbol. To the right of the button is a large, rectangular storage compartment with a recessed lid. The background shows the perforated leather seats of the car. A watermark 'ML MOTORLAND' is visible in the center of the image.
